

## 9th Annual Upstate Stroke Symposium

**SAVE the DATE: Saturday, Nov. 9, 2019 ~ 8 a.m.–4:30 p.m.**

Please join us for the 9th Annual Upstate Stroke Symposium presented by Prisma Health-Upstate!

The purpose of this educational activity is to update health care professionals on the latest advances in cerebrovascular and stroke care from pediatrics to rehabilitation. Through a combination of lectures and panel discussions, participants will be better equipped to evaluate patients and assess treatment options.

Speakers include Prisma Health physician leaders in the fields of emergency medicine, neuroendovascular, neurology, pediatrics and rehabilitation, along with additional guest speakers.

Registration will open soon on the Prisma Health-Upstate CME website.
