Tips for navigating participation rates

- Search for your last name to find your team's rate.
- You must have at least five people on your team to be able to view your rate.
- Hover the cursor over your rate for additional details.

Our overall participation rate is currently 46% organization-wide. Please continue to encourage your team members to complete the survey.

The survey will be live through 11:59 p.m. ET on Friday, Sept. 6 and takes 15-minutes or less to complete. All responses remain confidential. Team members can log in to the survey with the username and password they use to access their work computer. Links to take the survey are posted on myPal and Plexus.
