

Executive Director of UMG Finance and Business Operations, Prisma Health–Upstate

From Jim Ellis, MD, vice president of clinical affairs, chief of staff, Prisma Health–Upstate

I am pleased to announce that Mike Duffey, CPA, will serve as interim executive director of UMG finance and business operations for the medical group. His expanded responsibilities will include the physician business office, coding and education services, and provider contracting. Mike also will continue to serve as director of practice financial analysis for Prisma Health–Upstate.

Please join me in congratulating Mike, and thank you in advance for supporting him in this new role. I would also like to thank Shon Brink for her years of service and dedication to advancing the medical group, and I wish her well on her new endeavors.

Additionally, as the 15th largest medical group in the country, efforts are underway to recruit resources and support for the financial and business services of the medical group. A national search is underway for the Executive Director of Medical Group Professional Billing Revenue Cycle.
