

Learn more about 2020 Open Enrollment

Are you and your family ready for Prisma Health team member benefits enrollment season? Learn more now by clicking the "Open Enrollment 2020" tile at www.BenefitsForMyWorld.com.

During the Open Enrollment period (Nov. 1-15), you will have the opportunity to make your selections online, over the phone or in-person. This year will be a passive enrollment, meaning you will only need to make your Flexible Spending Account (FSA) and/or Health Savings Account (HSA) elections. All other benefits will automatically roll over.

The Open Enrollment 2020 page provides details about all benefits plans, should you wish to actively enroll or learn more about changes to the medical, vision, pharmacy and retirement savings plans. The page also provides information about the new and optional Emergency Transportation benefit.

Other actions you can take today to prepare:

- Mark your calendar for the Nov. 1 -15 annual enrollment period
- Attend a Human Resources [road show](#) through October 31 to learn more about 2020 team member total rewards
- Can't make it to a road show in person? You may [download the benefits slides](#)
- A recorded version of the road show is available. Click to view the [Midlands](#) or [Upstate](#) version
- [Print this Open Enrollment flyer](#) and post in areas for team members without regular access to email
- Online scheduling for one-on-one benefits counseling sessions will be available on the BenefitsForMyWorld.com site starting on Monday, Oct. 28; in person or phone counseling sessions will be available
