

Changes to this year's team member holiday meals

This holiday season, Prisma Health will forgo free team member meals for Thanksgiving, Christmas and holiday drop-ins. This change affects meals for team members who are working on the holiday itself and the special holiday season meal. Catering requests for holiday meals or parties to be charged to Prisma Health business meals accounts will not be approved and will need to be funded out of pocket.

Cafeterias across Prisma Health will serve holiday-themed menus on Thanksgiving Day and Christmas Day for team members who choose to purchase a meal.

Senior leaders made this decision based on the recommendation from the Prisma Health Food and Nutrition Council. The change is one way all team members can help save costs and support our goal of adjusting Prisma Health team member salaries that are behind market rates.

We will include this message in *Team Member News* on Thursday, Nov. 14.
