

Make your 2020 benefits elections

Open Enrollment (Nov. 1–15) is your once-a-year opportunity to review your coverage and make changes to your benefits to ensure they are suitable for your needs.

- You will need to enroll in a Flexible Spending Account (FSA) and/or Health Savings Account (HSA) to stay covered in 2020.
- If you are in the Choice plan, you will be automatically enrolled in the Premier EPO Plan; if you are in the Premier Consumer Plan, you will be automatically enrolled in the Consumer Plan, unless you make an election otherwise.
- If you are covered with your current vision provider (Physicians Eyecare Plan), you will be automatically enrolled in the corresponding (high or low) VSP plan.
