

Retirement plan match to be processed in December

Eligible Prisma Health team members in the Upstate will receive a three percent employer contribution to their Prudential Prisma Health–Upstate Retirement Savings 401(a) Plan in mid-to-late-December 2019.

Eligible team members include those who have worked 1,000 or more hours during the most recent plan year, Oct. 1, 2018 through Sept. 30, 2019. If eligible, a team member will receive the three percent employer contribution regardless of participation in the plan.

Additionally, eligible team members who contributed to a Prudential/Prisma Health-Upstate 403(b) Plan during the plan year will receive a 0.5% match in their 401(a) account.
