

Prisma Health achieves national recognition in U.S. News and World Report

The annual U.S. News and World Report Best Hospital Rankings were released on Tuesday, July 30 and we have much to be proud of. Prisma Health Greenville Memorial Hospital was named a top 50 hospital for gynecology, and we are high-performing in many of our other specialties and procedures across the system.

Prisma Health recognition includes:

- Prisma Health Baptist Hospital – high-performing in knee replacement, hip replacement
- Prisma Health Greenville Memorial Hospital – top 50 hospital for gynecology; high-performing in heart failure, colon cancer surgery
- Prisma Health Greer Memorial Hospital – high performing in knee replacement, orthopedics
- Prisma Health Patewood Hospital – high performing in knee replacement, hip replacement
- Prisma Health Oconee Memorial Hospital – high performing in heart failure, chronic obstructive pulmonary disease (COPD)
- Prisma Health Richland Hospital – high performing in heart failure, COPD
- Prisma Health Tuomey Hospital – high performing in heart failure

The complete report is available [here](#).

Our success, in this and any other accolade, is because of our patients. Each time someone trusts us with their care, we are given the opportunity to live our purpose: *Inspire health. Serve with compassion. Be the difference.* We are grateful for each patient who allows us to demonstrate this excellence in delivering care.

Thank you to each of our team members who live our purpose across your departments and specialties. Your dedication is reflected in these results, and we appreciate you.
