

## GHS PRIMARY CARE PRACTICES

Having a personal physician with whom you can establish a lifelong relationship is as important as getting your screenings. If you need assistance finding one, here is a list of GHS primary care practices or call GHS Physician Finder at **1-844-GHS-DOCS (447-3627)**. To find out more about these practices, go to [ghs.org/mydoctor](https://ghs.org/mydoctor). For a complete list of primary and specialty physicians, go to [ghs.org](https://ghs.org).
