

THE CHILDREN'S PROGRAM
How to have your child's name placed on the waiting list.

1. Download and print the Psychosocial and Family Assessment Online Admission Packet.

2. Call or email the admissions coordinator to begin the process of setting up a tour of our facility. The coordinator will collect your information and schedule an appointment with the appropriate therapist for your child's age.

3. You must return the assessment packet to the Children's Program so your child's name can be placed on the waiting list. You can bring it when you come for the tour or you can fax it to us.
