Welcome New Patient to Premier Women’s Care!

Thank you for choosing Premier Women’s Care! We understand that every woman is unique. Our physicians begin each office visit by listening to the patient, the most important part of patient assessment. Then they will conduct a thorough medical examination. Together with the physician a customized healthcare plan will be created.

We offer comprehensive medical services that cover a wide range of services, including annual exams, pap smears, birth control, breast care, gyn surgery, health screening, incontinence, infertility services, mole removal, nutrition counseling, pregnancy care, and ultrasound and weight management.

There are a few things that will help us with your first visit with us. Please request your records from you previous OB/GYN, so they will arrive before your appointment date. Bring your insurance card and a picture ID with you. If your insurance requires authorization from your primary care provider, please have them fax the authorization to our office before your appointment date. You will be expected to pay your co-pay at the time of service. If you do not have insurance, you will be expected to pay for your visit at the time of service.

Please arrive at least 15 minutes prior to your appointment time to allow for completion of your registration. Please complete the enclosed information sheets before you arrive. Our office requires 24 hours’ notice. There could be a fee assessed for a missed Appointment. We have included the directions for our facility on the back for your convenience.

We look forward to seeing you!

Uninsured Discount Protocol

The following is the protocol for services provided to self-pay - non-insured - patients by Greenville Health System, GHS Partners in Health, and the various entities and providers affiliated with them each individually and collectively referred to as Greenville Health System University Medical Group or GHS UMG for the patient whose name appears below.

An uninsured discount of 30% will be applied at the date of service for patients who do not have insurance (self-pay or non-insured) or who are having a service(s) that is not covered by the insurance carrier. Effective for dates of services rendered on or after July 1, 2008.

Services that are not included in the discount are acupuncture, cosmetic and infertility evaluation or treatment services, elective materials and supplies, such as contraceptives, durable medical equipment, injections, as well as other contractual agreements with outside companies.

Note for services not covered by the insurance carrier:
If services are not covered by the insurance carrier and will be paid by the patient, the patient is to be registered as self-pay and is aware GHS will not be billing the insurance company. (This does not apply to package rates such as plastic surgery or MFS.)

The discount cannot be applied:
A. If the insurance has been billed and the patient was not aware the services were non-covered. There may be extenuating circumstances which would be reconsidered, such as if the patient informed GHS prior to the procedure the procedure was non-covered and the insurance company was billed anyway. GHS would acknowledge the error and adjust accordingly.
B. If a high balance is left after for the patient after insurance adjustments have been applied and/or insurance has paid or applied the charges to the deductible.

Collection Policy: The balance will be due upon receipt of services, and the patient will have 90 days from the date of service to pay it in full before it will be sent to the collection agency. Delinquent accounts will be forwarded to a collection agency. GHS will inform the patient of his/her account status on a billing statement. Please call us at 864-454-2000 or 1-888-284-6024 if you have questions. GHS will attempt to contact the patient by letter before the account is forwarded.

Patient Agreement:
I acknowledge the above stipulations of my uninsured discount.

Note: If you have received this form by mail; you have 15 days to return it.

Signatures: I have read and understand the uninsured discount protocol.
